ELASTIC SACRO CINCH BRACE

APPLICATION

Provides support for the lumbosacral spine through increased intra abdominal pressure.

- Reminds patients to maintain correct posture
- Restricts forward flexion and rotation movements
- Provides patients with a greater sense of protection
- More comfortable than rigid braces, therefore less chance of patient rejection
- Removable posterior steels in pouches - can be removed for shaping, washing or if less motion control is required
- Full width touch tape loop gives maximum closure strength
- Nulley bones with heavy duty tape over help prevent wrinkling and rolling down that occurs with cheaper products
- Extra length touch tape on cinch pull strap can be cut off if not required

TGA Registered: ARTG No. 156221

ORDERING INFORMATION

This brace is suitable for either men or women. For borderline measurements select smaller size for average or narrow waist, larger size for heavy waist.

Size	Hip Measurement	Code	Wholesale Price: \$43
